After 10 years, Terri and Jeff have weathered the storm and continue to demonstrate their strength in caring for one another. Diagnosed with ALS in 2015, Terri is here living a quality life in her home with her caregiver and husband, Jeff. Together, they've demonstrated what a marriage and partnership really look like, particularly after a recent week of hospitalization due to a pesky gall stone and pancreatitis!

Today, Jeff and Terri could probably teach a Masters Class on coping with ALS. They've done tremendous research to find ways to live a quality lifestyle while battling a terminal disease. They wouldn't be able to continue to do the things necessary without your ongoing support. Sign up today and help raise crucial funds to help with Terri's care.

Part of your donation will be sent to non-profit research organization ALS TDI in Boston (www.als.net).
Tax-exempt status EIN: 04-3462719.
